

If you are unable to download the early voting roster and have the below message

The computer you are using may be having trouble recognizing this zipped folder. You must tell your computer that this is a zipped folder by first saving down the file with .zip as its extension. You can do this by following the steps below.

Click the save button, name the file and make sure to add: .zip to the end of the file name, save the file to your desktop. Now the zipped folder will be saved to your desktop and you can open the folder to view the files you have downloaded.
